TO WHOM IT MAY CONCERN

Re: Letter of reference for Hong Dau Engineering Co Ltd.,

This is to confirm that Hong Dau Engineering Co Ltd. carried out the following projects at the German Swiss International school:

- Replacement of Wooden suspended ceilings to Middle Bldg., Phase 1 Dec 2000
- Replacement of Wooden suspended ceilings to Main Bldg., Phase 2 Aug 2001
- Re-roofing works at Lower building. April 2002

These projects were all carried out to the satisfaction of the school, on time and on budget. We recommend them as being a competent and professional company to carry out complex construction projects.

We look forward to working with Hong Dau Engineering Co. Ltd. again in the future.

Yours sincerely,

Bernard P. O'Driscoll
